

2022-2023 Tuition Assistance

Tuition Assistance awards are based on the family's demonstrated need as determined by FACTS Management Company. FACTS is a third-party agency that makes financial needs assessments for schools. FACTS uses information supplied by the applicant to assess financial need. Each award is made in the form of a discount on tuition only and is for one year only, based on availability of Tuition Assistance funds and is awarded to returning families first.

Applications submitted by prospective families will be reviewed once the family has completed a campus tour with a member of admissions personnel.

PLEASE NOTE: If a student receives any additional funds such as the Opportunity Scholarship, Disability Grant, etc. after a tuition assistance award is offered, the award will be adjusted to reflect the additional income, according to the FACTS assessment of financial need.

Applications to FACTS Grant & Aid Assessment are made online at northhillschristian.com, under the Admissions tab. Select Tuition and then Tuition Assistance. Click on the link to FACTS. New applicants will need to create an account. Returning applicants can log into their existing account. FACTS charges a \$35 non-refundable application fee, payable by credit card, at the end of the application.

Once the online application has been submitted, the following information will need to be sent to FACTS to complete the process:

- Copies of your 2021 Federal tax forms including all supporting tax schedules
- Copies of your 2021 W-2 forms for both you and your spouse
- Copies of supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Worker's Compensation and TANF

All supporting documentation can be submitted by either:

- 1) uploading electronically to the application in pdf format (recommended method)
- 2) faxing to 866-315-9264
- 3) mailing to FACTS Grant & Aid Assessment, P.O. Box 82524, Lincoln, NE 68501-2524

Please be sure to include the applicant ID on all faxed or mailed correspondence.

If you have questions or concerns about the application process, you may speak with a FACTS Customer Care Representative at **866-441-4637**. Online chat is also available Mon–Fri, 8am–4pm.

Once your application is reviewed, you will receive your assistance notification by e-mail. You will be directed to sign into your FACTS account to view and “accept” or “decline” the award. You should receive your notification within 3-4 weeks after your application is complete and ALL documents have been received by FACTS.
