EQUIPPING HEARTS AND MINDS OF STUDENTS TO IMPACT THE WORLD FOR CHRIST

Greetings, NHCS families!

It is with great excitement that we present our updated supplementary reading list for 2022. It is entitled "Supplementary Reading" and not "Summer Reading" because we hope you will hold onto this document and refer to it throughout the year. Many of the suggested works will support and complement our curriculum, and others may serve as good material for a book report or two! **Please note that this list includes one required reading per grade for this summer. Students should complete the listed assignment and be familiar enough to discuss the books on the first day of school.**

As you examine the reading lists, please consider the following:

1. Ensure that your child completes all of the required summer reading, as outlined on the following documents. Like a muscle, the brain needs exercise - even in the summer!
0. In some cases, the reading is easier than the grade level to which it has been assigned. In others, it is more difficult. This is often because it fits the historical context of what the children will study this year. If a work is too difficult for your young child, please help him or her by reading it together. We expect that the listed content will be fascinating, and reading it together will prepare your child for the coming school year by setting a context for understanding upcoming classroom material. For instance, the more your sixth, seventh, or eighth grader can say, "I've already heard about the pyramids." Or, "Hey, Homer is that guy we read about this summer!" the better prepared he or she will be.
0. It is critical for each child to become acquainted with the events and works of Western civilization. On the enclosed reading lists, you will notice that we have included many historical works that correlate to your child's history curriculum. Consider having your child immerse himself/herself in as many of these works as possible - not only this summer, but throughout the school year. By "previewing" what he or she will learn next year, your child will have a "leg up."
