

2023-2024 Tuition Assistance

Tuition Assistance awards are based on the family's demonstrated need as determined by FACTS Management Company. FACTS is a third-party agency that makes financial-needs assessments for schools, based on the applicant's individual submission. Each award is made in the form of a discount on tuition only and is for one year only, based on availability of funds.

Tuition Assistance is awarded to returning families first.

Applications submitted by prospective families will be reviewed once the family has completed a campus tour with a member of admissions personnel.

Applications to FACTS Grant & Aid Assessment are made online at northhillschristian.com, under the Admissions tab. Select Tuition and then Tuition Assistance. Click on the link to FACTS. New applicants will need to create an account. Returning applicants can log into their existing account. FACTS charges a \$40 non-refundable application fee, payable by credit card, at the end of the application.

Once the online application has been submitted, the following information will need to be sent to FACTS to complete the process:

- Copies of your 2022 Federal tax forms including all supporting tax schedules
- Copies of your 2022 W-2 forms for both you and your spouse
- Copies of supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Worker's Compensation and TANF
- If you file an extension for the 2022 tax year, please contact Lori at lpittard@northhillschristian.com or Jeannie at jogg@northhillschristian.com for directions on how to proceed with your application.

All supporting documentation can be submitted by uploading electronically to the application in pdf format. **Please be sure to include the applicant ID number on all correspondence.**

If you have questions or concerns about the application process, you may speak with a FACTS Customer Care Representative at **866-441-4637**. Online chat is also available Mon–Fri, 8am-4pm.

Once your application is reviewed, you will receive your assistance notification by e-mail. You will be directed to sign into your FACTS account to view and “accept” or “decline” the award. You should receive your notification within 2-3 weeks after your application is complete and ALL documents have been received by FACTS.

The first awards for tuition assistance will be on or before March 30.
