

2025 - 2026 FACTS Grant & Aid **(formerly Tuition Assistance)**

NEW for 2025: In effort to streamline the application process, applicants will use their 2023 tax return and 2024 W-2 forms.

Grant & Aid awards are based on the family's demonstrated need as determined by FACTS Management Company. FACTS is a third-party agency that makes financial-needs assessments for schools, based on the applicant's individual submission. Each award is made in the form of a discount on tuition only and is for one year only, based on availability of funds.

Grant & Aid is awarded to returning families first. Applications submitted by prospective families will be reviewed once the family has completed a campus tour with a member of admissions personnel.

With the expansion of the NC Opportunity Scholarship, all families applying for NHCS Grant & Aid must also apply for the Opportunity Scholarship.
Additional information is available at nseaa.edu/k12/opportunity/

Applications to FACTS Grant & Aid Assessment are made online at northhillschristian.com, under the Admissions tab.

Select Tuition and then Tuition Assistance.

New applicants will need to create an account. Returning applicants can log into their existing account.
