# NORTH HILLS CHRISTIAN SCHOOL

EQUIPPING HEARTS AND MINDS OF STUDENTS TO IMPACT THE WORLD FOR CHRIST

Dear North Hills Christian School Supporters:

During any normal year you would see the banners of our sponsors hanging from the walls of the gym. You would see their signs on the ballfields, their logo's would be displayed on stage. You would be able to shake their hand and personally thank them for their support! But as we all know by now, this isn't a normal year!

Our sponsors are so very important to North Hills Christian School. Their contributions help us to provide financial assistance to over 70% of our families. Their business knowledge allows us to call on much needed expertise. They are vitally important to the health of our school. Yes, part of their sponsorship is to get their name in front of you, however, overwhelmingly they believe in our mission and the opportunity North Hills Christian School provides. They know our students will be their future employees, employees with character, integrity and a good work ethic!

A special IMPACT thank you goes to our Presenting sponsors for IMPACT! Grease Monkey of Salisbury, Tino Tile and Marble, and C.P. Builders.

Please do not miss the opportunity to thank all of our sponsors listed in this digital program and to especially support their business during these challenging times.

Blessings to you all!

Maria Lowder, Executive Director NHCS

### **A Special Thank You**

We would like to thank all of the families and friends of North Hills Christian School. We feel blessed to have such an awesome support system and know that we could not have held this event without you. We thank you for your many hours of time, talent, prayer, and financial support which you have so freely given. There is no way to adequately thank each and every one of you who has helped make this event such a success. Be assured that your contributions will long be remembered at North Hills Christian School. We extend our heartfelt apology if we failed to recognize your name in this catalog.
