Position Overview:

North Hills Christian School is seeking a **part-time Gifted Enrichment Instructor** to support students in our Gifted Enrichment program. This role focuses on cultivating advanced thinking, creativity, and academic growth through engaging, differentiated instruction.

The teacher will provide **enrichment in both Math and Reading**, meeting with students **1–2 times per week per subject**, and will design instruction that challenges students beyond the standard curriculum while supporting their intellectual, social, and spiritual development.

This position plays a key role in fostering curiosity, critical thinking, and a love of learning in a Christ-centered environment.

Essential Job Functions:

- Plan and deliver engaging Gifted Enrichment lessons in **Math and Reading**
- Teach small groups of students **1–2 times per week per subject area**
- Differentiate instruction to meet the needs of advanced learners
- Foster higher-order thinking, problem-solving, and inquiry-based learning
- Integrate creativity, collaboration, and real-world application into lessons
- Support students' academic, social, emotional, and spiritual growth
- Collaborate with classroom teachers, case managers, and administration
- Monitor student progress and provide feedback to families as needed
- Maintain a structured, positive, and engaging learning environment

Preferred Qualities:

- Experience with gifted education, enrichment models, or advanced learners
- Ability to design project-based and inquiry-driven lessons
- Strong classroom management in a small group setting
- Passion for developing student potential in a Christ-centered environment
