	NHCS Athletic Code of Conduct <b>(Student &amp; Parent Signature Required)</b>
	NHCS Athletic and Activity Liability Waiver Form
	NCISAA Consent to Participate Form
	NCISAA Pre-Participation Physical Form
	Student-Athletic & Parent Concussion Information Sheet <b>(Student &amp; Parent Initials &amp; Signatures Required)</b>
	Read and comply with NHCS Athletic Handbook

**PLEASE READ THE FOLLOWING GUIDELINES CAREFULLY, FAILURE TO COMPLY COULD LEAD TO DELAYED PARTICIPATION BY YOUR STUDENT-ATHLETE(S):**

1. **ALL of the above documents are required for the student-athlete to participate in any NHCS sponsored sport. We require new form packets for every student-athlete every new school year.**
2. Forms must be submitted as one whole packet to the school, failure to do so could lead to missing paperwork which will prevent your son/daughter from participating until new forms are turned in.
3. ONE PACKET PER STUDENT-ATHLETE, DO NOT COMBINE SIBLINGS ON ANY OF THE FORMS

If you have any questions please contact:

# North Hills Christian School - Athletic Code of Conduct

School Year: \_\_\_\_\_

## Attendance

All athletes are expected to attend every practice and game. If, for any reason someone is unable to attend practice/game, he/she must notify the coach with at least 24 hour notice if possible. Athletes who skip a practice/game will be considered unexcused and could be suspended for their next game per the discretion of their coach. If an absence is excused, a player may dress out for a game, but the coach may choose not to start a player who missed a practice preceding a game. If you are injured, you are expected to attend practice unless you have been excused by your coach. Athletes are expected to communicate thoroughly and frequently with their coaches about attendance issues.

## Behavior

Athletes are expected to have a positive attitude both on and off their field of play at all times. Disrespect to coaches, teachers, fans, teammates, parents, officials, and other students will not be tolerated. Poor sportsmanship will not be tolerated. This may include not only words and attitude, but also gestures, verbal language, and body language. Disruptiveness in the classrooms or during practices or games will not be tolerated. Students are expected to well represent NHCS, their families, and Jesus Christ.

## Consequences

Depending upon the severity of an infraction, students who break the Athletic Code of Conduct may be subject to a range of penalties. At the discretion of the coach, consequences may include suspension from games or dismissal from the team. Additional consequences may be imposed by the school's administration, including detention, in school suspension, out of school suspension, or dismissal from the enrollment of NHCS.

I have read, understand, and will abide by the North Hills Christian School – Athletic Code of Conduct.

## North Hills Christian School Athletic and Activity Liability Waiver Form

School Year: \_\_\_\_\_

This liability waiver form must be completed and signed by the parent or guardian for each student athlete before participation in any North Hills Christian School (hereafter NHCS) athletic game, activity, contest or event. The original must be on file in the Athletic Department office.

### Parent/Guardian Release

FOR AND IN CONSIDERATION OF the mutual promises, covenants; conditions, representations, and warranties contained herein, and for other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, it is agreed as follows: The undersigned hereby releases and forever discharges North Hills Christian School along with all of its agents, employees, directors, officers, assigns, and attorneys, from any and all claims, demands, actions, causes of action or suits arising out of any injuries, known or unknown, which have resulted or may in the future result from any NHCS sponsored athletic game, activity, contest or event that takes place at any location.

The undersigned hereby assumes all risk of injury associated with any such athletic game, activity, contest, or event and fully indemnifies and holds harmless NHCS along with its agents, employees, directors; officers, assigns, and attorneys, from and against each and every liability, loss, cost, damage, and expense, including attorney's fees, which NHCS along with its agents, employees, directors, officers, assigns, and attorneys may incur as a result of any NHCS sponsored athletic game, activity, contest or event that takes place at any location.

## 2023-24 NCISAA CONSENT TO PARTICIPATE AND RELEASE FORM

**THIS DOCUMENT MUST BE SIGNED BY THE STUDENT-ATHLETE OF A NCISAA MEMBER SCHOOL AND BY THE STUDENT'S PARENT(S)/LEGAL CUSTODIAN BEFORE PARTICIPATION. STUDENT-ATHLETES MAY NOT PARTICIPATE WITHOUT THE SIGNATURE OF THE STUDENT-ATHLETE AND PARENT(S)/LEGAL CUSTODIAN.**

I acknowledge that my school is a member of the North Carolina Independent Schools Athletic Association (NCISAA) and must adhere to all regulations that govern interscholastic athletic programs, including, but not limited to, Federal and State laws, local conference regulations and those imposed by the NCISAA. I understand that local conference rules may be more stringent than the NCISAA and agree to follow the rules of my school and the NCISAA and to abide by their decisions. I acknowledge and understand that participation in interscholastic athletics is a privilege, not a right. I acknowledge that I understand all pertinent rules that apply to my student-athlete and my school. I understand that a copy of the NCISAA Handbook is available at NCISAA.org.

**PARENTS, LEGAL CUSTODIANS OR STUDENT-ATHLETES WHO DO NOT WISH TO ACCEPT THE RISK DESCRIBED IN THIS WARNING SHOULD NOT SIGN THIS FORM.** The student-athlete and parent(s)/legal custodian recognize that participation in interscholastic athletics involves some inherent risks for potentially severe injuries including, but not limited to: serious neck, head and spinal injuries, serious injury to virtually all bones, joints, ligaments, muscles, tendons, and other aspects of the musculoskeletal system, serious injury or impairment to other aspects of the body, exposure to viruses or effects to the general health and well-being of the child, and in rare cases death. It is impossible to eliminate all risks. Because of these inherent risks, the student-athlete and his/her parent(s)/legal custodian have a responsibility to help reduce that risk. Participants must obey all safety rules, report all physical and hygiene problems to their coaches, follow a proper conditioning program, and inspect their own equipment daily.

I **authorize medical treatment** should the need arise for such treatment while I or my child/ward ("student-athlete") is under the supervision of the member school. I **consent to medical treatment** for the student-athlete following an injury or illness suffered during practice and/or a contest. I understand that in the case of **injury or illness requiring treatment by medical personnel and transportation to a health care facility**, a reasonable attempt will be made to contact the parent(s)/legal custodian in the case of the student-athlete being a minor, but that, if necessary, the student-athlete will be treated and transported via any means, including but limited to an ambulance, to the nearest hospital. I further authorize the use or disclosure of my student-athlete's personally identifiable health information should treatment for illness or injury become necessary.

I **understand all concussions are potentially serious** and may result in complications including prolonged brain damage and death if not recognized and managed properly. Further, I understand that if my student is removed from a practice or competition due to a suspected concussion, he or she will be unable to return to participation that day. After that day, written authorization from a physician (M.D. or D.O.) or an athletic trainer working under the supervision of a physician will be required before the student is allowed to return to participation. I also acknowledge that I **have received, read and signed the Gfeller- Waller Concussion Information Sheet.**

I **consent to the NCISAA's use of the herein named student's name**, likeness, and athletic-related information in reports of contests, promotional literature of the Association and other materials and releases related to interscholastic athletics and grant the NCISAA the right to photograph and/or videotape the participant and further to use the participant's face, likeness, voice and appearance in connection with exhibitions, publicity, advertising, promotional and commercial materials without reservation or limitation. The NCISAA, however, is under no obligation to exercise said rights herein. I further consent to the disclosure, by the member school, to the NCISAA, upon its request, of all records relevant to the student-athlete's athletic eligibility including, but not limited to, their records relating to enrollment, attendance, academic standing, age, discipline, finances, residence and physical fitness. The student-athlete and parent(s)/legal custodian individually and on behalf of the student-athlete, hereby irrevocably, and unconditionally release, acquit, and discharge, without limitation, the NCISAA its officers, agents, attorneys, representatives and employees (collectively, the "Releasees") from any and all losses, claims, demands, actions and causes of action, obligations, damages, and costs or expenses of any nature (including attorney's fees) that the student and/or legal custodian incur or sustain to person, property or both, which arise out of, result from, occur during or are otherwise connected with the student-athlete's participation in interscholastic athletics if due to the ordinary negligence of the Releasees.

**By signing this document, we acknowledge that we have read the above information and that we consent to participation by the herein named student-athlete. We understand that the authorizations and rights granted herein are voluntary and that we may revoke any or all of them at any time by submitting said revocation in writing to the student-athlete's member school. By doing so, however, we understand that the student-athlete would no longer be eligible for participation in interscholastic athletics.**

# CONCUSSION

## INFORMATION FOR *STUDENT-ATHLETES & PARENTS/LEGAL CUSTODIANS*

**What is a concussion?** A concussion is an injury to the brain caused by a direct or indirect blow to the head. It results in your brain not working as it should. It may or may not cause you to black out or pass out. It can happen to you from a fall, a hit to the head, or a hit to the body that causes your head and your brain to move quickly back and forth.

**How do I know if I have a concussion?** There are many signs and symptoms that you may have following a concussion. A concussion can affect your thinking, the way your body feels, your mood, or your sleep. Here is what to look for:

Thinking/Remembering	Physical	Emotional/Mood	Sleep
Difficulty thinking clearly	Headache	Irritability-things bother you more easily	Sleeping more than usual
Taking longer to figure things out	Fuzzy or blurry vision	Sadness	Sleeping less than usual
Difficulty concentrating	Feeling sick to your stomach/queasy	Being more moody	Trouble falling asleep
Difficulty remembering new information	Vomiting/throwing up	Feeling nervous or worried	Feeling tired
	Dizziness	Crying more	
	Balance problems		
	Sensitivity to noise or light		

*Table is adapted from the Centers for Disease Control and Prevention (<http://www.cdc.gov/concussion/>)*

**What should I do if I think I have a concussion?** If you are having any of the signs or symptoms listed above, you should tell your parents, coach, athletic trainer or school nurse so they can get you the help you need. If a parent notices these symptoms, they should inform the school nurse or athletic trainer.

**When should I be particularly concerned?** If you have a headache that gets worse over time, you are unable to control your body, you throw up repeatedly or feel more and more sick to your stomach, or your words are coming out funny/slurred, you should let an adult like your parent or coach or teacher know right away, so they can get you the help you need before things get any worse.

**What are some of the problems that may affect me after a concussion?** You may have trouble in some of your classes at school or even with activities at home. If you continue to play or return to play too early with a concussion, you may have long term trouble remembering things or paying attention, headaches may last a long time, or personality changes can occur. Once you have a concussion, you are more likely to have another concussion.

**How do I know when it's ok to return to physical activity and my sport after a concussion?** After telling your coach, your parents, and any medical personnel around that you think you have a concussion, you will probably be seen by a doctor trained in helping people with concussions. Your school and your parents can help you decide who is best to treat you and help to make the decision on when you should return to activity/play or practice. Your school will have a policy in place for how to treat concussions. You should not return to play or practice on the same day as your suspected concussion.

***You should not have any symptoms at rest or during/after activity when you return to play, as this is a sign your brain has not recovered from the injury.***

*If true, please check box.*

After reading the information sheet, I am aware of the following information:

Student-Athlete Initials		Parent/Legal Custodian Initials
	A concussion is a brain injury, which should be reported to my parents, my coach(es), or a medical professional if one is available.	
	A concussion can affect the ability to perform everyday activities such as the ability to think, balance, and classroom performance.	
	A concussion cannot be “seen.” Some symptoms might be present right away. Other symptoms can show up hours or days after an injury.	
	I will tell my parents, my coach, and/or a medical professional about my injuries and illnesses.	N/A
	If I think a teammate has a concussion, I should tell my coach(es), parents, or medical professional about the concussion.	N/A
	I will not return to play in a game or practice if a hit to my head or body causes any concussion-related symptoms.	N/A
	I will/my child will need written permission from a medical professional trained in concussion management to return to play or practice after a concussion.	
	Based on the latest data, most concussions take days or weeks to get better. A concussion may not go away right away. I realize that resolution from this injury is a process and may require more than one medical evaluation.	
	I realize that ER/Urgent Care physicians will not provide clearance if seen right away after the injury.	
	After a concussion, the brain needs time to heal. I understand that I am/my child is much more likely to have another concussion or more serious brain injury if return to play or practice occurs before concussion symptoms go away.	
	Sometimes, repeat concussions can cause serious and long-lasting problems.	
	I have read the concussion symptoms on the Concussion Information Sheet.
