

NORTH HILLS CHRISTIAN SCHOOL

EQUIPPING HEARTS AND MINDS OF STUDENTS TO IMPACT THE WORLD FOR CHRIST

Upper School Honor Code

As a student of NHCS,
I commit to being honest,
Respectful of others; their property; and their intellectual property
Cooperative with and honoring of school authorities,
And active in service to others.
I understand that I am a representative of both NHCS
And the Christian reputation it bears to the community
I commit to being an exemplary member of NHCS
Both on and off campus
And for holding my peers accountable to do the same.

The honor code stands as the school's code of conduct. I understand that I am expected to uphold it and to hold my peers accountable for upholding it. I will also report my peers' failure to uphold the honor code to school faculty or administration.
