

NORTH HILLS CHRISTIAN SCHOOL

EQUIPPING HEARTS AND MINDS OF STUDENTS TO IMPACT THE WORLD FOR CHRIST

Dear Lower School Students,

Summer time is finally here! You have worked so hard this year in reading and, although it is summer break, it is very important for you to keep reading so that you will be ready for your next school year. We have an awesome way to keep you reading this summer with little to no fuss (hopefully) and you get to use technology! We hope you will have fun engaging with the leveled library customized at your current reading level. Your goal is to earn as many minutes as possible this summer by listening, reading, and taking quizzes on the books you read in the “Level Up” library. Using the Reading A-Z letter with your username and password, feel free to get started as soon as you are ready. If you have any trouble or questions, please feel free to contact me at ksabia@northhillschristian.com.

***Parents, if you prefer your child to track their minutes reading hard copies of books instead of through Reading A-Z, that is perfectly fine! Please keep a list of the book titles and total minutes read.

Rising 1st-4th Grade:
All “STAR” readers.

Prizes will be awarded based on total minutes read.

Prize Levels:

- Level 1 - 50 Minutes
- Level 2 - 100 Minutes
- Level 3 - 150 Minutes
- Level 4 - 200 Minutes
- Level 5 - 250+ Minutes
